

Cumbria Community Memorial Fund

The Cumbria Community Memorial Fund has been created to support the people and communities affected by the shootings of 2 June 2010.

It is in response to the needs arising from the shootings and the public's wish to demonstrate its sympathy and support for those affected.

The Cumbria Community Memorial Fund has been opened with the support of the members of the Cumbria Recovery Coordination Group.

The Fund will be managed on behalf of partners by the Cumbria Community Foundation. A committee of the Foundation involving trustees and community representatives will oversee distribution of the funds. The committee will meet for the first time next week. How funds will be distributed will be agreed following discussions with the affected families and the local community.

It is a broad based charitable fund. Details of how to donate are set out below.

Ways to give

Online

Just Giving website <http://www.justgiving.com/cumbriafoundation> or click www.cumbriafoundation.org and click 'make a donation'

Cumbria Community Memorial Fund has been created with Account number 22153769 sort code 40 16 22. Direct electronic payments can be made into that account.
