HELPING LOCAL COMMUNITIES THRIVE

With your help, we can make a difference and support the most vulnerable and isolated communities in the Lake District.

WHAT IS THE CUMBRIA HOME FROM HOME FUND?

The Cumbria Home from Home Fund offers a simple way for holiday and second homeowners to give back and make a difference to the communities that host their properties.

“For me, the Cumbria Home from Home Fund is the perfect solution, as it allows holiday homeowners to join together to have a greater impact and I trust the Foundation to use this money in the best way possible – they know where the need is greatest and work with organisations best placed to deliver success.”

Holiday homeowner

HOW WILL IT HELP?

Funds raised will help specific community projects in the Lake District and rural Cumbria. Grants will help young people access skills, jobs and build confidence, and support older people suffering from dementia, hardship, or loneliness. Grants will also be used to help people access the outdoors and support mental health projects, as well as community owned initiatives such as community shops, pubs and village halls in rural areas.
HOW DO I GET INVOLVED?
To support the fund, you can make an annual donation of one week’s rent – you pick the week to donate, or donate the equivalent if your property is not rented out – with a minimum suggested annual donation of £500.

Donations can be made and more information can be accessed on our website or by using the QR code.

BENEFITS OF SUPPORTING THE FUND

- Automatic enrolment in the Cumbria Club, a UK-wide group of Lake District and Cumbria lovers
- Invitations to exclusive events
- Monthly newsletter with the latest news on how grants are helping those in need
- Access to the Cumbria Home from Home Fund logo for use in your marketing
- A window sticker for your property to highlight your commitment to the community
- The knowledge that you are helping the local community so we can all enjoy and appreciate our home from home for many years to come

The Cumbria Home from Home Fund is managed by Cumbria Community Foundation.

For over 20 years, it has been strengthening communities in Cumbria by giving grants to organisations that help vulnerable and disadvantaged people.

There is no other organisation in Cumbria that has the same knowledge, passion and expertise and the ability to move quickly to direct money to areas most in need.
